Fees

A single exhibit space rents for \$100. Registration is limited to 26 artists. The Glen Helen Building consists of several round rooms, therefore exhibit space is irregular in shape. There is at least one electrical outlet per space, and tables and display panels can be made available with advance notice. **Contact the Nature Arts and Crafts Show (NACS) Co-Chair Pam Geisel at [pamgeisel \[at\] sbcglobal.net](mailto:pamgeisel[at]sbcglobal.net)** to discuss how we can assist in meeting your needs.

Fees for exhibit space must accompany this application. Fees for those accepted are not refundable.

Make checks payable to: **Glen Helen Association**

and mail to: **Pam Geisel, Co-Chair NACS

Yellow Springs, Ohio 45387**

Photos

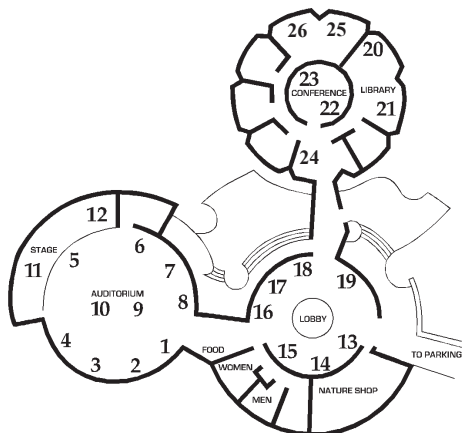

NEW applicants must submit six photos or slides of your work. Digital photos can be submitted on CD or e-mailed to the e-mail above. Photos should represent all categories of your work. *We reserve the right to use photos submitted to publicize the event.* Please include a SASE for return of your photos/CDs. Applications without SASE will have photos returned during the show.

Exhibit Set-Up

ALL applicants must be available to set-up their displays on *Friday, November 20 between the hours of 10 am and 7 pm.* Also, all artists must park their vehicles on the street during the show so customers can park in the parking lot. The show is Saturday, November 21 from 9-5, and Sunday, November 22 from 11 am-5 pm. Artists can enter building one hour before show.

Exhibit Space

NEW applicants should include a photo of your booth. Do not bring tents/canopies, even without the top, as they won't fit. As you can see by the diagram, the building is round so all spaces are pie-shaped.
