Student Loans

As of July 2012, the federal government no longer offers Direct Subsidized Stafford Loans to graduate students. Unsubsidized loans are offered to assist with educational expenses.

Direct Unsubsidized Stafford Loan is not based on financial need and is available to students regardless of income. Because this loan is not subsidized by the government, the student is responsible for all interest which accrues during in-school, grace and deferment periods. You may choose to make periodic interest payments or opt to have the accrued interest capitalized (added to) the principal loan amount.

Interest rates: The interest rates are currently fixed at 6.8%.

Loan fees: The origination fee will be 1% of the total loan amount.

Loan amounts: The amount you borrow will be split into three disbursements. The funds will disburse at the beginning of each term: Summer (July 1), Fall (November 1) and Spring (March 1).

The chart below reflects what you may be able to borrow in an annual academic term:

Summer (July 1 – Oct 31)	Fall (Nov 1 – Feb 28)	Spring (Mar 1 – June 30)
\$10,250	\$10,250	\$10,250

Please note: The maximum lifetime loan limit is \$138,500. This amount includes undergraduate and graduate loans. We will notify you each year of your accumulated loan amounts.

If you have questions about the Direct Loan Program, please visit the Direct Loan website at www.ed.gov/DirectLoan or call Tricia Webb at 937-769-1883. We will be happy to assist you through this process.
