

EXPERIENCE THE ANTIOCH DIFFERENCE AT A REDUCED TUITION COST.

Announcing the Community College Scholars Program!

ANTIOCH UNIVERSITY LOS ANGELES (AULA) is renewing our Community College Scholarship for the 2017-2018 academic year! The scholarship covers the cost of the first 6 units of tuition at AULA for scholarship awardees, a savings of up to \$4,000. This opportunity is for undergraduate students transferring from a community college with whom AULA has an articulation agreement.*

Students are eligible if they have earned a minimum 3.0 cumulative GPA and at least 24 transferable semester units at a qualifying community college.* Students who apply to enter one of Antioch's bachelor's programs in Summer 2017, Fall 2017, Winter 2018, or Spring 2018 and meet the criteria above will automatically be considered for the scholarship. There is no separate application.

Priority will be given to students who have been enrolled in and completed the community college units within the last four years, however students who completed those units more than four years ago will be considered.

Finish your bachelor's degree in a program that is right for you.

We offer the following degree opportunities:

BA in Liberal Studies

The BA in Liberal Studies allows students to concentrate in the following academic areas: **Addiction Studies, Business and Social Entrepreneurship, Child Studies, Creative Writing, Liberal Studies, LGBT/Queer Studies, Psychology,** and **Urban Studies.** Students may also create a unique concentration of their own.

* Qualifying institutions are listed below:

- East Los Angeles College
- El Camino College
- Glendale Community College
- Los Angeles City College
- Los Angeles Harbor College
- Los Angeles Mission College
- Los Angeles South West
- Los Angeles Trade Technical College
- Los Angeles Valley College
- Pasadena City College
- Pierce College
- Santa Monica College
- West Los Angeles College

Applied Studies Degrees

BA in Applied Studies: The BA in Applied Studies complements and builds upon technical and occupational skills with new perspectives and ways of defining success.

BA in Applied Arts and Media: The BA in Applied Arts and Media contextualizes arts and media for those with a vocational or technical background in fields such as culinary arts and fashion design, or media-focused fields such as makeup design, film editing, and set design.

Bachelor of Applied Arts in Urban Communities and Justice: The Bachelor of Applied Arts in Urban Communities and Justice targets the needs of students from criminal justice, public safety, and other civic-related backgrounds.

BS in Applied Technology and Business Leadership: The Bachelor of Science in Applied Technology and Business Leadership merges business concepts with leadership strategies for students from a variety of fields.
