

**McGregor Library**  
**Goals and Objectives FY 17**

**Goals**

**(1) The library will continue to provide access to our electronic resources**

*Strategy – Items will display and be processed in shared catalogs accurately*

**Measure** – Inventory will continue as ongoing, including all new additions

**Measure** – Links to databases will be updated as necessary

**Measure** – Items will be consistently processed in both ILS interfaces

*Strategy – Library webpages will be evaluated for accuracy and currency*

**Measure** –AUM’s library page will be evaluated and changed if necessary by June 2017

**Measure** –AUC’s library page will be evaluated and changed if necessary by June 2017

**(2) The library will engage in enriched instruction**

*Strategy – Collaborate with Writing Center on workshops and instruction*

**Measure** – Continue to co-present at orientation

**Measure** – Collaborate on at least one workshop this year

*Strategy – Explore new methods for instruction and assessment*

**Measure** – LRR will be used to explore pedagogy and assessment

**Measure** – Additional joint teaching opportunities will be explored

*Strategy – Offer concierge library support for AUC students*

**Measure** – Work as requested with AUC faculty on instructional design

**Measure** – All AUC students will receive at least 2 emails from library per enrolled term

**(3) Library will continue to improve and build upon current assessment practices**

*Strategy - Regularly review assessment tools and revise as needed*

**Measure** – Assessment cycle to be reviewed in light of 2016 reports

**Measure** – Assessment tools to be reviewed in light of 2016 reports

*Strategy – Initiate and sunset assessment practices as needed*

**Measure** – Continue successful assessment practices

**Measure** – Discontinue practices that were unsuccessful or have completed their use
