Purpose Statement

The library empowers the teaching mission and intellectual culture of the AUM community through availability to an organized collection of information, as well as instruction in its access, relevance and evaluation.

Vision Statement

The library will actively engage with students so they may develop into information fluent, socially aware lifelong learners. Such learners will be able to critically evaluate information to make a difference in the world around them. By creating a welcoming physical and virtual space, the library will become an active and vibrant part of the AUM academic community.
