

## Overview of Antioch University Student Policies

As a student at Antioch University, you have certain rights and responsibilities. While you may never need to immerse yourself in many of the policies below, we expect you to familiarize yourself with them. To that end, Antioch University policies are gathered here with a quick overview of the contents and a link for convenient access to the full details.

Individual academic and administrative departments may have operating procedures that are more specific to your campus or academic program. Please also stay informed by referring to any student handbooks or academic program guides.
