MyAntioch: Guide to Online Registration

All communication about myAntioch and online registration is through Antioch email and announcements. Be sure to check email regularly.

Detailed instructions, complete with screen-prints, are available on the AUS website at http://www.antiochseattle.edu/registrar/register-for-classes/

Connect to the Internet-

1. Go to the myAntioch website
2. Click on the “Login” link at the top.
3. Use your AUeID user name and password to login.
4. Click on the “Student Menu” link.
5. Click on “Register for Sections”
6. In the “Term” dropdown menu, select the quarter for which you’d like to view classes
7. In the “Academic Level” dropdown menu, select the level of study you’d like to view (e.g. Undergraduate, Graduate, etc.)
8. In the “Subjects” dropdown menu, select the area of study for which you’d like to view classes (e.g. Psychology, Education, Whole Systems Design, etc.)
9. Click on “Submit” at the bottom. A list of courses for that quarter, area of study, and academic level will be listed.

*If you run into registration problems contact the Registrar’s Office at 206-268-4772. 
 If you have technical problems contact the Antioch Help Desk, 24/7 phone support @ 866-662-0056

Visitors may browse course offerings in myAntioch by simply clicking on Guest Login. No log in is required.

Once the course options are displayed on the screen, select any and all the courses that interest you by clicking the Select Section(s) boxes on the left side of the screen. When you are done, click Submit at the bottom of the screen. This will not register you but take you to the Register and Drop Sections screen—think of it as your shopping cart of potential course choices.
1) To register for a course, click on the drop-down Action box to the left of the course information.
2) Select Register; to remove a course from your preferred list, select Remove from List.
3) When you are finished, click Submit at the bottom of the page.

If your registration fails to process, for example if you have not fulfilled prerequisites, or because you have a student account hold on your record, a message will appear on the screen to tell you on what to do or what office to contact. You may not register in a course until all course or university requirements are met.

To check prerequisites or course eligibility limitations, click on the course name. That will take you to the Section Information Screen on which you can read the course description, determine prerequisites and enrollment limitations.

If your registration is successful you will be taken to the Registration Results screen. That screen displays all courses in which you are registered.

NOTE: Registrations from previous terms that have no grade designation (e.g, Leave of Absence, Enrollment Maintenance, ungraded courses) may be reflected on the list.

1) Finally, return to the Student Menu.
2) Under Academic Profile, select My Class Schedule to print your schedule as confirmation of successful registration and keep it for your records.
3) If all of your classes are reflected, you are done.

It is the student’s responsibility to ensure advising has taken place prior to registering for classes. Advising is required although an advisor’s signature to register for classes is not.

If you need assistance with registration, please email registrar.aus@antioch.edu or call 206-268-4772 from 9 to 5, Monday through Friday.

The Financial Aid Office is located in the Enrollment Services area. We are open Monday through Friday 9am to 5pm each day. Please feel free to stop by, call, or email during office hours and the Staff will be there to help you. If necessary, you can make an in-person or phone appointment by sending an email request to the address listed above.

Communicating with you
Our communications to you are usually electronic, through your Antioch Gmail account. Check your AUS email weekly for important updates and announcements. Any requests to change your financial aid must be done in writing via paper request or sent from your Antioch Gmail account.

Applying for Financial Aid
Applying for financial aid is a fairly simple process: Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov using your tax information and listing Antioch’s school code E00555. Your FAFSA information will then be electronically sent to Antioch. We will process your FAFSA and send you a letter outlining what you qualify for and explaining the steps required for you to accept any offered aid.

Scholarships
In addition to the Antioch scholarships available to new students, there are many outside scholarship opportunities. We have a scholarship database on our website located in the Costs and Financial Aid section that includes these outside scholarships. Another great resource is www.thewashboard.org, which is a Washington State run website. It is commercial-free, and updated on a regular basis.

Loan Deferments
Antioch University Seattle Registrar reports attendance to the National ClearingHouse on the 15th of the first month of the quarter. If you need to defer your previous student loans, please be aware that your lender will be able to access this information after you begin at least half-time attendance. If you need something in writing before that point, please contact the Registrar’s Office (also located in the Enrollment Services Office).

Financial Aid Award Letters
Financial Aid award letters are available for your review via My Antioch. To access your award letter 1) login to My Antioch, 2) Click on “Student Menu" 3) Under Financial Aid, click on "Financial Aid Award Letter" 4) On the next screen, click on the drop down box and then "Award Letter" for the current academic year.
Types of Aid You May Qualify For:

Direct Loan: Loans that are part of the Direct Student loan program, which helps students pay part of their educational expenses by borrowing directly from the government. Terms of the loan are covered in greater detail in the required Federal Loan Entrance Counseling and Master Promissory Note. Loan repayment begins six months after you graduate, withdraw, or drop below half-time status.

Direct Subsidized Federal Loan: Available only to undergraduate students. If you have Unmet Need, a portion of your Direct Loan may be offered as a Subsidized Direct Loan. The federal government pays the interest on subsidized loans while you are enrolled at least half-time and during deferment periods.

Direct Unsubsidized Federal Loan: You are not required to have Unmet Need to borrow an unsubsidized loan, but you are responsible for interest that accrues on this loan type.

Grants: Federal and Washington State grants are awarded only to undergraduate students based on need and income. Grants are considered "gift" aid – they do not need to be repaid. Grants are tied to enrollment status (the number of credits a student is taking per quarter).

Federal Perkins Loan: A low interest loan awarded to students based on exceptional financial need and availability of funds. Repayment begins nine months after you graduate, leave school, or drop below half-time enrollment. Contact the Financial Aid Office for more information about this loan type if you think you may qualify.

Federal Work-Study: If Federal Work-Study is listed on your award letter, you are eligible to seek a position on campus at $12 per hour. Positions vary from five to twenty hours per week. These funds do not have to be repaid; you can elect to receive a bi-weekly paycheck, or to use the funds to pay down a balance on your student account. If you are awarded work-study, the Financial Aid Office will contact you with list of open positions. If you are interested in Federal Work-Study, but you do not see it listed on your award letter, contact the Financial Aid Office to discuss your eligibility. Antioch has limited work-study funding, so interested students may be waitlisted.

State Work-Study: For Washington State residents who are eligible for Federal Work Study, you can gain valuable work experience in off-campus positions. Hourly wages vary depending on the position and employer. Contact the Financial Aid Office for more information.

Alternative Loan: If you feel you need additional financial assistance, you may qualify for an alternative loan. Students may borrow up to the cost of attendance less any financial aid received. Interest rates, fees, and approval of this loan are determined by your credit history. Please contact the Financial Aid Office for more information about alternative loan options.

Graduate PLUS Loan: Available only to graduate students. If you feel you need additional financial assistance, you may qualify for the Direct Graduate PLUS loan. Students may borrow up to the cost of attendance less any financial aid received. Approval of this loan is determined by your credit history. If you have poor credit history, applying with a co-borrower is an option. Contact the Financial Aid Office for more information about this loan.
Frequently Asked Questions

Q: I applied for aid and signed my award letter. What happens next?

A: Before each quarter, you will register for classes (your program will provide you the details on that process). The charges for tuition & fees will post to your Student Account (which you can view on my.antioch.edu). By the first week of the quarter, we disburse approved aid for students who are registered. The funds are credited to your student account and pay down any outstanding tuition & fees. Please note that you do not need to make an out of pocket payment if your financial aid will fully cover your bill. This is often a small point of confusion, as we publish the first of the month as our tuition deadline, but do not always disburse loan funds by that point. As long as your expected financial aid exceeds your costs, Student Accounts will not assess a late payment fee.

Q: What happens if I have more financial aid coming in than I owe?

A: Financial aid in excess of tuition & fees is returned to the student in a refund check to assist the student with their education expenses (books, supplies, transportation, etc.). The Student Accounts Office outlines exact refund check pickup dates & times before the start of each quarter; new students will receive details during orientation and via email after online registration. Typically, during the first week of the quarter, Direct Loans and the Federal SEOG (grant) are credited to the student’s account, and the Pell and Washington State Need Grants are credited during week three.

On my.antioch.edu, you can sign up to receive the refunds via Direct Deposit. This is encouraged, because our paper checks are mailed from our central campus in Yellow Springs, Ohio, which means a 4-6 day delay in getting the funds. If ever you receive more in refund than you need, you can return some or all of the funds to our Student Accounts Office and we will reverse that part of the loan (as if you didn't borrow it in the first place).

Q: How many credits do I need to take to be eligible for financial aid?

A: BA Students must take at least six credits in order to remain financial-aid eligible. Credits for BA students registered as prior learning credits are counted at a four-to-one ratio in terms of financial aid eligibility. For example, 16 registered prior learning credits count as four credits towards financial aid eligibility. For more information about the prior learning credit program, please contact the BA Completion department or speak with your advisor.

A: MA Students must take at least three credits a quarter to remain financial-aid eligible.

Student Financial Policies 2014-15
Tuition Payment Information

Student Financial Policies inform students of their financial responsibilities while enrolled at Antioch University Seattle (AUS). Enrollment at AUS assumes a student’s agreement with the terms of these and all other university policies. Student Financial Policies are administered by the Student Accounts Office (Student Accounts) and are in effect summer 2014 through spring 2015. AUS reserves the right to amend its policies at any time without prior notice. For more information, stop by or contact Student Accounts at studentaccounts.aus@antioch.edu or 206-268-4009.

Billing of Tuition Upon registration, estimated tuition and fees are charged to a student’s account and may be viewed in myAntioch under Student Account Summary. All charges on a student’s account are subject to verification and may be adjusted according to published tuition and fee rates. After verifying charges, Student Accounts emails a Tuition Payment Notice to the student’s AUS email account. Paper registration/billing statements are available upon request.

Paying Tuition Students must complete one of the following payment options by the tuition payment deadline to avoid a late payment fee or possible cancellation of registration due to non-payment of tuition. Failure to attend classes or provide written notification of withdrawal to the Registrar’s Office does not relieve a student from tuition payment.

1) **Check or bank card**: AUS accepts checks (e-checks online in myAntioch) and money orders drawn on a U.S. bank and in U.S. funds, and American Express, Discover, MasterCard and VISA cards. AUS charges no convenience fee for any type of payment.

2) **Financial aid**: Have evidence of a completed (certified) financial aid package with AUS. Tuition not covered by aid also must be paid in full or with an arranged payment plan (see option 4). Financial aid packages are arranged through the Financial Aid Office.

3) **Third-party authorizations**: Submit an employer, tribal, or government agency tuition payment authorization to Student Accounts. Students with VA benefits must submit a DD-214 and Certificate of Eligibility to the Registrar. Tuition not covered by a tuition payment authorization also must be paid in full or with an arranged payment plan (see option 4).

4) **Tuition Payment Plan**: Arrange an interest-free Tuition Payment Plan to pay tuition over three months (see payment schedule below). The cost is $35 per term. The plan is available only to matriculated students registered for credit. Contact Student Accounts for more information or to arrange a plan.

How to Pay Tuition Students are encouraged to make bank card and e-check payments online in myAntioch. In person or by mail, make payments at Student Accounts, Antioch University Seattle, 2326 Sixth Avenue, Seattle, WA 98121. Bank card payments may be called in during business hours at 206-268-4009. After hours, payments may be placed in the night drop in the door at Enrollment Services, room 125.

Tuition Payment Deadline Tuition payment deadlines are noted in the table below. Payments may be made on the next business day without penalty if a payment deadline falls on a weekend or holiday. Student Accounts may make provisions for a payment grace period each term. Payment deadline and grace period dates are included in the Tuition Payment Notice emailed to students after verification of tuition charges.

Late Payment Fee A $60 late payment fee will be assessed monthly when a student does not pay tuition or make valid payment arrangements with Student Accounts by the published payment deadline. The fee also is assessed when a payment plan installment is late or the minimum agreed payment amount is not paid.

For 2014-15, the late payment fee will be waived when tuition is paid by the 9th calendar day (second Tuesday) of the term.

In addition, the late payment fee will be waived until the first day of the month following the start of a term, on accounts with a remaining balance due that is less than $500 at the beginning of the term.

Accounts with unpaid balances are subject to registration cancellation, fiscal holds and/or collection actions (see below).

Late Registration Fees A $75 late registration fee will be assessed when a student attempts to initiate registration during the published late registration period. To be cleared for registration, the student first must contact Student Accounts to pay the late registration fee.

A $75 late registration change fee will be assessed when a registered student is permitted to add a course after the published add period or to increase credits on an existing registered course after the published credit adjustment period.

A $150 late registration fee may be assessed when a student is permitted to initiate registration after the close of the late registration period.

1 of 2
Registration Cancellation/Reinstatement AUS may cancel a student’s registration in response to a student’s failure to pay tuition or make qualified payment arrangements. Cancelled courses will be marked “LD-Late Drop.” The student may reinstate registration within seven days of cancellation by submitting a completed Registration Reinstatement Form along with payment in full for tuition and $200 reinstatement fee. Reinstatement is for all courses previously registered (no partial registration permitted unless a course has filled). The student will be required to pay tuition in full prior to registering in future terms (see Fiscal Holds below).

Fiscal Holds are used to restrict student access to university services. AUS may withhold assessments, official transcripts and diploma, or withhold the right of registration for a future term or course, until all previous outstanding debts to the university have been paid. Students may view all active holds in myAntioch under My Holds under the Registration menu.

A Student Accounts Hold is applied when a student’s account is in a past due status or when a library, parking, or any other fine assessed by the university is reported to Student Accounts. It is removed when the account is paid in full.

A Student Accounts Clearance Hold is applied to all students who do not initiate registration by the end of the open registration period. The hold is cleared when the student satisfies late registration requirements (see Late Registration Fees above).

A Student Accounts Discretionary Hold is applied for any reason documented and interpreted as necessary to protect the interests of the student or AUS (e.g. when a student exhibits a history of late payments, had registration cancelled for non-payment or was previously in collections). This is a permanent hold that requires the student to satisfy payment arrangements with Student Accounts prior to registration each term.

Returned Check Fee Each check or e-check returned unpaid to AUS is subject to a $30 returned check fee. A late payment fee also may be assessed or registration cancelled if the payment was for tuition and is returned after the payment deadline.

Collections Accounts that are 120 days past due are closed and referred to an outside collections agency for collection and reporting to national credit bureaus. All costs, fees and expenses (including, but not limited to, collection agency fees, reasonable attorney fees, court costs and other out-of-pocket expenses) incurred by AUS in attempting to collect the debt will be added to the student’s account balance.

Financial Aid Refunds Funding received in excess of a student’s account balance is typically refunded to the student on the first Friday of each term. Refunds are dependent upon several factors, including timely valid registration, timely completion and certification of a financial aid package, and the types and amounts of aid received. Students with a Pell or Washington State Need Grant may not receive a refund until those grants arrive (usually the third week of the term). All grants require a student to maintain certain eligibility requirements.

When possible, a refund is returned to a bank card used to pay tuition, up to the amount originally charged. A credit balance less than five dollars is transferred to the next term unless the student graduates or is no longer enrolled. A credit balance less than one dollar is not refunded.

Direct Deposit or check? For fastest access to refunds, students are encouraged to enroll in direct deposit in myAntioch under menu item Non-Payroll Direct Deposit. Refund checks for students without direct deposit are mailed from Ohio. AUS can not honor requests for advances or early disbursement of refunds.

Tuition Credit for Dropped Courses is prorated and credited to a student’s account for courses dropped within the first 40 calendar days of the term (see Tuition Credit Schedule). The credit is calculated from the date the student submits a completed Drop Form to the Registrar’s Office.

Fees are not refunded after the 100% tuition credit period.

For some courses of three or more credits that begin after the first week of the term, the 100% tuition credit deadline is extended to one business day following the first session of class. This exception does not apply to weekend, independent study, prior learning, contracted, and other classes in which the student is expected to engage from the beginning of the term.

Tuition Refunds for eligible students are generally reimbursed within 14 days of receipt of the Drop Form. The refund is returned to the student or original payer of the tuition. If tuition was paid by bank card, the refund will be returned to the bank card used, when possible, up to the amount originally charged.

Tuition refunds for students receiving financial aid are subject to the terms of the student’s financial aid. The Financial Aid Office will determine a student’s eligibility for a tuition refund, which may include a return of financial aid funds to the student’s lender. A student is responsible for reimbursing the university when the amount of aid returned exceeds the tuition credit.

Appeals of Tuition & Fees A student may appeal a tuition or fee charge for a course(s) dropped for circumstances beyond the student’s control by submitting a completed Tuition & Fees Appeal Form along with supporting documentation in accordance with the form. Filing an appeal does not exempt a student from payment of amounts previously owed or prevent the assessment of late payment fees when applicable. The Tuition & Fees Appeal Form is available on the web and on campus.

For more information, stop by or contact the Student Accounts Office at studentaccounts.aus@antioch.edu or 206-268-4009.

- AUS does not utilize a grade system. Consistent with our educational philosophy we rely on a system of narrative evaluations for assessment of student learning. You can access your narrative evaluations at the end of the term through myAntioch.

- It is important that you make satisfactory progress toward your degree—to ensure a timely completion of your program of study and to maintain financial aid eligibility. In the Minimum Cumulative Percentage of Credits section, all students must have completed or actively have in progress a minimum of 75% of their total attempted Antioch Seattle credits. Satisfactory Academic Progress applies to both term and cumulative totals. Antioch University Seattle Office of Diversity Services

Antioch University Seattle is a supportive community, full of people doing extraordinary things for one another and for society. We celebrate this work in a variety of ways, from community action and partnerships, to formal awards, to small, informal expressions of gratitude and individualized support.

In 2014, Antioch University Seattle reaffirmed its commitment to diversity and inclusion through the establishment of its new Office of Diversity Services.

Under the direction of award-winning community activist and inclusion advocate Ron Harris-White, M.P.A., M.A., National Urban Fellow, the office provides leadership and strategic direction to the Antioch students, administration and faculty.

AUS is committed to building an inclusive and sustainable community. The Office of Diversity Services offers:

- Student Life Overviews/ Consultation
- Leadership in Diversity Training
- Student Advising / Mentorship
- Community Outreach Technical Support
- Speakers Bureau
- Affinity Group Support
- Strategic Advise

The Office of Diversity Services promotes educational and cultural enrichment programming and activities for all of its students, while at the same time, increasing cross-cultural understanding for the total University community. The Office researches best practices in diversity initiatives and uses those findings to inform university decisions.

The Office develops innovative programs and communications strategies to promote inclusion, diversity, and assesses the outcomes of those initiatives with a particular focus on their impact as related to recruitment and retention.

The Office of Diversity Services also coordinates cultural awareness programs and assists in the implementation of diversity and inclusion initiatives for the campus community. We provide outreach to local and regional leaders, individuals and groups within diverse cultures.

The Office of Diversity Services promotes equity to the AUS community. The Office of Diversity Services administers activities, programs and workshops to promote institutional awareness of and commitment to faculty diversity goals.

Databases may look different but most databases allow you to limit search to full text or peer reviewed sources only.

Export bibliographic citations directly into your RefWorks account, though searching and exporting can be tricky.

Don’t forget that even if you don’t find the full text on one of our databases, you can always request a copy through the Inter Library Loan form online.

Don’t hesitate to ask library staff for help in searching or exporting citations. We also give regular trainings, on the use of databases and RefWorks. Call or visit online for more info.
