### ARTICULATION AGREEMENT BETWEEN ANTIOCH UNIVERSITY LOS ANGELES AND LOS ANGELES TRADE TECHNICAL COLLEGE

Effective 2016

Because there are adult students who can benefit from courses and programs provided by each institution, Antioch University Los Angeles (AULA) and Los Angeles Trade Technical College (LATTC) agree to enter into an Articulation Agreement, which will assist students who have acquired LATTC credit to transfer to AULA and thereby to earn a BA degree. By entering into this Articulation Agreement, both institutions will function cooperatively so as to encourage and support interested adult students in pursuing their education goals and completing a BA degree.

This agreement applies to students who apply for admissions to AULA on or after the effective date of this agreement and who desire to transfer credit earned from LATTC to AULA. This agreement specifically provides for the transferability of the courses as detailed in the attached document.

In addition, both institutions agree to cooperate in communicating information regarding this Articulation Agreement to interested adult students. AULA will provide written materials to LATTC advisors and will meet with these advisors periodically to discuss the nature and content of the Undergraduate Studies programs. LATTC will distribute electronic and printed AULA materials to interested students and will communicate to them the nature and content of the AULA Undergraduate Studies programs

AULA and LATTC further agree that prior to publication, any and all statements regarding this Articulation Agreement which appear in university/college materials will be previewed and must be approved by the Articulation Officer of LATTC and Provost of AULA (or their delegates). Information regarding this Articulation Agreement will be publicized, within the policies stipulated by each institution, to its students.

Liaison activities between AULA and LATTC for the implementation and management of this Articulation Agreement will be conducted by the Provost at AULA and by the Articulation Officer at LATTC (or their delegates).

Effective 2016

Antioch University Los Angeles (AULA) welcomes applications from transfer students, staff and faculty for our BA in Liberal Arts as well as our 4 degrees in Applied Studies (BA in Applied Studies, BA in Applied Arts & Media, Bachelor of Applied Arts in Urban Communities & Justice, BS in Applied Technology and Business Leadership) bringing in a minimum of 24 transferable semester units (36 or more quarter units).

For the BA in Liberal Arts, students should be aware that a minimum of 180 quarter units (120 semester units), including 90 quarter units (60 semester units) of upper division are required for graduation from Antioch. The final 45 quarter units (30 semester units) must be earned in a wide range of AULA classes, seminars, workshops, independent studies or internships.

For all of the 4 Applied Studies degrees, applicants must bring a minimum of 18 of their transferable semester units (27 quarter units) in a cohesive technical/professional area. Applied Studies track students should be aware that a minimum of 180 quarter units (120 semester units), including 75 quarter units (50 semester units) of upper division are required for graduation from Antioch. The final 45 quarter units (30 semester units) must be earned in AULA's specifically prescribed applied studies learning activities including 10 units of professional seminars, 9 units of professional core curriculum courses, and 8 units of non-classroom learning.

For all of these degrees, in order for the course to be accepted as transferable, a grade of "C" or better must be achieved. Antioch does recommend that students begin completing some of their general studies as part of their transferable semester units. For additional counsel on these and other requirements, students and counselors should feel free to contact the AULA Admissions Office at any point in their program.

**General Studies requirements:**

At least 6 quarter units (4 semester units) in each of the following six Domains of Knowledge are required in order to fulfill the distribution component of Antioch's General Studies requirement. However, students do not need to complete the full pattern of General Studies prior to transfer and may instead complete these requirements at Antioch.
