ANTIOCH UNIVERSITY LOS ANGELES
AND
THE AMERICAN ACADEMY OF DRAMATIC ARTS
TRANSFER AGREEMENT
Effective 2020

Antioch University Los Angeles (AULA) welcomes applications from AADA students from both Los Angeles and New York campuses, offering two main transferring paths with the overall transfer requirement of a minimum of 24 semester (36 quarter) units:

1. Transferring AADA courses to AULA's BA in Liberal Studies with or without a specific Concentration. An AULA approved list of courses from AADA applicable to the General Education requirements of this degree are included in this agreement. Once admitted, the remaining units towards the B.A. in Liberal Studies will be planned under the personalized guidance of an academic advisor. Students may choose a major or minor concentration in areas such as Addiction Studies, Business and Management Studies, Creative Writing, Queer Studies, Psychology, Urban Studies, or an individualized concentration such as Acting and Dramatic Arts.
2. Transferring AADA courses to AULA's BA Applied Arts and Media <http://www.antiochla.edu/academics/bachelors-degree/ba-in-applied-arts-and-media/>. To transfer, students must submit evidence of successful completion of at least 18 semester (27 quarter) units in a cohesive area of study that can be applied to the major. These units are included as part of the overall transfer requirement of 24 semester (36 quarter) units noted above. An AULA approved list of courses from AADA applicable to the major and General Education requirements are included in this agreement. Once admitted, the remaining units towards their BA in Applied Arts and Media will be planned under the personalized guidance of academic advisors.

Students should be aware that a minimum of 180 quarter units (120 semester units), including 75 quarter units (50 semester units) of upper division are required for graduation from either Antioch's BA in Liberal Studies program, or the Applied Studies degree. The final 45 quarter units must be taken in residence at AULA. In order for the course to be accepted as transferable, a grade of "C" or better must be achieved.

While we encourage students to take courses in a variety of subject areas that promote strong writing and critical thinking skills, Antioch does not require students to complete their general studies in order to transfer. (*Note: this articulation also applies to students who do not complete their full program.*) Antioch does recommend that students begin

completing some of their general studies as part of their transferable semester units. For additional counsel on these and other requirements, students and counselors should feel free to contact the AULA Admissions Office at any point on their program admissions.aula@antioch.edu AULA offers a unique and customizable learning environment providing personalized attention to each student.

Courses transferable to Antioch University Los Angeles

General Studies Requirement

All Antioch students, regardless of major, must fulfill at least 6 quarter units (4 semester units) in each of the following six Domains of Knowledge are required in order to fulfill the distribution component of Antioch's General Studies requirement. Thus, if a student took 1 course worth three semester units in one Domain, additional units would still be needed to fulfill that area. Courses within a student's Area of Concentration (which is like a "major") may not also be used to complete a Domain. The following courses offered at AADA are transferable and meet the Domains of Knowledge as indicated:

I. Communications Domain

Voice & Speech I	4.5 quarter units
Voice & Speech II	4.5 quarter units
Voice & Speech III	4.5 quarter units

Note: Students who have fulfilled the Communications Domain must still fulfill AULA's Academic Writing Requirement. Students are assessed in their first quarter and specific writing requirements are then determined subsequent to that. The AADA courses listed above may be applied towards this domain, but do not substitute for the AULA Academic Writing Requirement.

II. Science Domain (Laboratory not required).

Natural Sciences courses taken for AADA General Education requirements may be applied towards this domain.

III. Quantitative Methods Domain

Students will be assessed in their first quarter, and specific quantitative methods requirements will be determined subsequent to that.

IV. Humanities Domain

Theatre History	1.5 units
-----------------	-----------

V. Social Sciences Domain

The Psychology course taken for AADA General Education requirements may be applied towards this domain.

VI. Fine Arts Domain

Movement I	3 units
------------	---------

Movement II	3 units
Movement III	1.5 units
Vocal Production I	3 units

Liberal Studies: Area of Concentration

If a student chooses the Liberal Studies pathway, at least 40 but no more than 80 quarter units in the Area of Concentration are required in order to declare an Area of Concentration. Courses within a student's Area of Concentration (which is like a "major") may not also be used to complete a Domain. For AADA students choosing an Individualized Area of Concentration in Acting and Dramatic Arts, the following courses offered at AADA are transferable and apply towards the Area of Concentration as indicated:

Acting I	7.5 units
Exam Play I	4.5 units
Acting II	7.5 units
Styles I	1.5 units
Exam Play 2-1 and 2-2	4.5 units
Acting III	7.5 units
Styles II	4.5 units
One Act Play	4.5 units
Acting IV	4.5 units
Acting V	9 units
Shakespeare/ Musical Theater	3 units
Directed Study	4.5 units

Students may also choose to do a Liberal Studies concentration that does not require any specific set of courses, in which case the above courses are applied towards their overall degree units.

NOTES:

Students completing an AA through AADA would likely have:

- 40.5 General Studies units
- 63 Area of Concentration units
- 103.5 lower division units

This applies to students who do not have any additional coursework eligible for transfer.

These students would be required to complete at least 77 units, of which at least 75 units must be upper division work. This would include the following:

- Educational Foundations course (3 units that will fulfill Social Science requirement), that includes the Math and Writing Assessments to begin fulfilling the Math and Academic Writing requirements
- Science course (minimum 2 units if a course already part of AADA program)
- Quantitative Methods courses (minimum 6 units)

- Humanities course (minimum 5 units)
- Non-classroom requirement (minimum 6 units). The units used to fulfill this requirement can also be used to fulfill other requirements (e.g., Domain requirements)
- Minimum 60 units in General Studies (courses not in Acting/Dramatic Arts Individualized Area of Concentration) in addition to those listed above.

Students completing 22 units through upper division prior learning could then complete the Antioch coursework in five or six quarters if going close to full time (around 14 units per quarter for 5 quarters; 11.5 units for 6).

Depending on the results of the Writing Assessment, students may be required to take one or more lower division writing courses to satisfy AULA'S Academic Writing requirement.

Students completing the AADA coursework without doing the additional AA coursework would have:

27 General Studies units
63 Area of Concentration units
 90 Lower division units total

AADA course applicable to the BA in Applied Arts and Media

This degree is designed especially for people with technical skills in art, design and media-focused fields such as makeup design, film editing, or set design, who want to more fully understand the context and business side of their industry. - Educational Foundations course (3 units) that includes the Math and Writing assessment.
- This major requires minimum 54 units, including 27 upper division units resulting from the combination of 8 non-classroom learning units, 10 professional seminar units, and 9 units of professional core coursework.
- Depending on the results of the Writing Assessment, students may be required to take one or more lower division writing courses to satisfy AULA'S Academic Writing requirement.
