

How to Find & Open a Google Doc that you Created Earlier

Sign into your Antioch gmail and click the grid in the upper right corner.

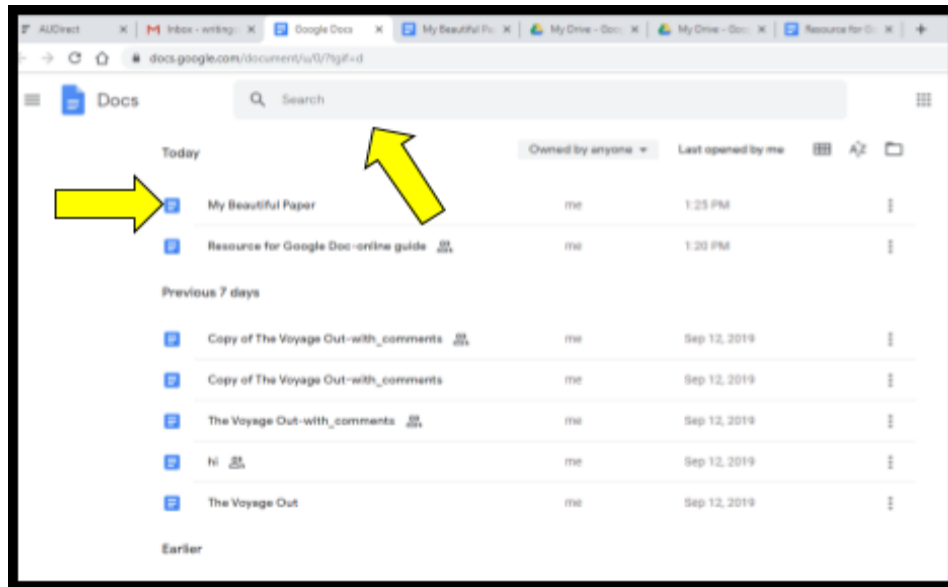

Here you can access your Google Drive/Google Docs/Google Sheets/Google Slides

If you click on your Google Docs:

You can search by the name of your Google Doc or find it in the list of documents. (The Docs you opened most recently appear first.)

If you click on your Google Drive:

You can search by the name of your Google Doc or find it in the list of files. (The Quick Access section shows your most recent files.)
