Introduction

The federal *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act*, 20 U.S.C. § 1092 (more commonly referred to as “the Clery Act”), requires all postsecondary educational institutions participating in federal Title IV student financial assistance programs to disclose certain crime statistics, safety related policies and procedures, fire safety information, and fire statistics in an annual security report (ASR). The Clery Act mandates that institutions publish their ASRs by October 1st each year.

Each year, under the auspices of the Office of the Provost for each of the campuses of Antioch University (“Antioch” or the “University”), this report is prepared in compliance with the Clery Act. Antioch assembles statistics and relevant information to this report based on its own records, communications with local law enforcement, and information from various campus security authorities. In preparing its ASR, Antioch follows its Clery Act Policy (http://aura.antioch.edu/policies_300_3x/3/), which is incorporated by reference.

Following is the Annual Security Report for Antioch University Los Angeles (AULA), which can also be found at <http://www.antioch.edu/securityreport/>. The Annual Security Report describes Antioch University safety and security policies and provides 2016-2018 crime data for AULA.

Notice of Nondiscrimination

Antioch is proud to foster an environment in which all individuals are treated with respect and dignity. Antioch is fully committed to equal opportunity and affirmative action in all aspects of employment and student service. All employment decisions at Antioch are made based on job-related criteria and merit without regard to the individual’s legally protected status.

It is the policy of the University not to discriminate against and to provide equal employment opportunity to all qualified persons without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, military and veteran status, or any other protected classification. It is the policy of the University to analyze employment process to further the principles of equal opportunity employment.

This policy applies to all employment practices, including, but not limited to, recruitment selection, promotion, transfer, compensation, training and development, demotion, and separation. This policy is intended to be consistent with the provisions of applicable State and Federal laws and University policies.

Crime Prevention Tips

Personal Security

- Personal security is something that every individual must take seriously. These guidelines are by no means all-inclusive and are not intended to supplant other effective safety measures you may already be using. Use these guidelines to reduce your vulnerability.
- Stay alert to your surroundings, trust your instincts, and take appropriate action if you feel that something may be wrong.

Safety & Security

- Be alert to suspicious persons in your area. If anything appears to be not quite right, contact the Campus Services Center or Building Security.
- Be aware of how to use the campus telephone system to contact emergency personnel. AULA's phone system requires dialing 9 for an outside line (e.g. 9-911).
- Never leave belongings unattended even for a few minutes.
- Never agree to watch belongings for strangers or allow them to leave them in your area.
- Note the location of emergency fire exits, pull stations, and fire extinguishers near you.
- Never attach facility keys to any item that can identify the school. Then if your keys are lost away from campus, they cannot be traced back to the premises. If keys are lost or misplaced, notify the Campus Services Center immediately.
- Remember: The safety and security of the AULA campus is everyone's responsibility.

Avoid Confrontations

- Don't allow yourself to be drawn into arguments or shouting matches with coworkers, fellow students, or the public. Walk away from confrontations before they escalate.
- Contact Campus Services Center staff or Building Security for assistance when needed.

Protect Your Things

- Keep all personal belongings such as backpacks, briefcases, or purses close to you.
- If you leave the area, even for only a short time, secure personal items in a locked drawer or cabinet, or take them with you.
- Close and lock office doors when you leave, even if you are only leaving for a short time period.

After Hours Safety

- At night, or when there are few people around, always walk to your car with someone else.
- Request an escort to your car from Campus Services Center staff or Building Security at any time.
- If you suspect that a crime has taken place, do not investigate. Get to a safe place, call 911 to report the crime, and inform Campus Services Center staff and/or Building Security.

Campus Access and Security

The AULA campus regular hours of operation are 8:00 a.m. – 10:00 p.m. Monday through Friday, and 8:00 a.m. – 6:00 p.m. Saturday and Sunday. During hours of operation, the AULA campus is open to students, employees, and guests.

During non-business hours, access to the building is controlled by electronic door locks, and access to AULA classrooms, offices, and departments is by key. The AULA campus has 24-hour security staffing, and the facility is continuously monitored by security video cameras.

Reporting a Crime and Law Enforcement Statement

Antioch University Los Angeles' Chief Operations Officer acts as the Campus Safety Officer and maintains a professional working relationship with the Culver City Police Department. AULA personnel, contractors, and building security do not have arrest authority. All AULA faculty, staff and students are encouraged to report suspicious activity to their supervisor, their instructor, Building Security, and/or AULA Campus Services Center staff. Criminal incidents are referred to the Culver City Police Department, who have jurisdiction on campus. AULA faculty, staff, and students who are a victim and/or witness to a crime are encouraged to immediately report the crime to the Culver City Police Department, and to the AULA Campus Services Center.

Antioch University's Law Enforcement Statement and Cooperation Policy can be found here:

http://aura.antioch.edu/policies_300_3x/1/

Voluntary Reporting and Confidentiality

If you are a victim of or witness to any crime on or near the AULA campus, you are obligated to report the incident promptly to the Campus Safety Officer. While every effort will be made at to keep information confidential upon request, particularly regarding a reporter's identity, AULA cannot always hold information about crimes in confidence. Because police reports are public records under California state law, the Campus Safety Officer cannot hold reports of crime in confidence. With such information, AULA can keep accurate records of the number of incidents involving students, determine whether there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger.

Reporting Emergencies

Anyone discovering, or having information related to, an emergency situation, regardless of type or size, shall to immediately call 911 (9-911 from a campus phone). When calling 911, stay calm, carefully explain the problem and location to the dispatcher, and follow instructions of 911 personnel. Do not hang up the phone until expressly told to do so by 911 personnel (unless immediate evacuation is imperative). After reporting the emergency to 911, call the AULA Emergency Line, 310-578-1080, x454, to inform AULA Campus Services Center staff of the situation.

Emergency Response and General Evacuation Procedures

In the event that it becomes necessary to evacuate the facility, the building alarm system will be activated. All magnetized doors will release and close, and elevators will return to the first floor, open, and go out of service. The building's notification system consists of very loud, short rings, accompanied by white strobe lights for the hearing-impaired.

During an evacuation, all AULA students, faculty, staff and visitors shall immediately cease all activity and proceed carefully and quickly to the nearest exit. During a building evacuation, elevators are not to be used. All AULA evacuees are instructed to assemble at one of two Safe Refuge Areas: 1) the grassy area directly outside the lowest level (P2) of the 400 Corporate Pointe/Culver 400 parking lot, or 2) at the 600 Corporate Pointe/Culver 600 turnaround, just West of the AULA campus on Slauson Ave.

All AULA students, faculty, staff, and visitors are instructed to be accounted for and to remain at the Safe Refuge Area until the "All Clear" is given by Public Authorities, AULA Administration, or Building Management.

Fire Safety

Any employee, student, or visitor who becomes aware of a fire on campus shall immediately activate a manual fire alarm pull station to sound the building alarm system. All building occupants are instructed to evacuate the building when the fire alarm is activated.

Building occupants are **not** expected to fight a fire. If an individual chooses to attempt to extinguish a fire, they should do so with extreme caution, and must delegate someone to sound the fire alarm and call 911 (or 9-911 from a campus phone) to begin the evacuation process. If the fire cannot be easily extinguished, all occupants must evacuate to the nearest Safe Refuge Area.

Campus Crime Log

The Antioch University Los Angeles Operations Department maintains a log of reported incidents and crimes. A log for the most recent 60 days is open to public review during regular business hours. Log information beyond 60 days will be made available within two working days of a request. Please contact the AULA Chief Operations Officer for review.

Timely Warning

Antioch University will provide timely warnings concerning the occurrence of any Clery Act reportable crime that poses a continuing and ongoing threat to the AULA community. The decision to issue a timely warning is made by the Provost, or his/her designee, on a case by case basis considering the available facts (including whether the incident is a serious or continuing threat to the community and whether the warning may compromise law enforcement efforts). A timely warning may include a brief description of the incident and any suspect(s), the date, time, and location of the incident, and

suggested precautions. The purpose of the timely warning is to aid in the prevention of similar occurrences.

Emergency Notification

The Provost or designee will determine if a serious crime, natural disaster, or other emergency poses an immediate threat to the health and/or safety of students and/or employees. If there is such a threat, AULA will immediately notify those who may be affected by the situation. The Provost or designee will, without delay, determine the contents of the notification and who will be so notified. If the Provost or designee determines that immediate notification would significantly compromise the response or assistance efforts, the Provost or designee may delay notification. In all other instances, the Provost or designee will immediately activate the notification system.

AULA may use the following systems for communicating information quickly to the campus community: University email; personal email; SMS (text) messaging; voicemail; campus paging system; website; and in-person notification. Some or all of these methods of communication may be used in the event of an immediate threat to students and/or employees.

AULA will test the emergency response and evacuation procedures on at least an annual basis using announced or unannounced tests. For each test, a description of the exercise, date, time, and whether it was announced or not will be documented.

Antioch University's Emergency Response and Evacuation Policy can be found here:
http://aura.antioch.edu/policies_300_3x/2/.

Sexual Harassment Policy and Violence Against Women Act

Antioch University strives to foster an academic and work environment that is free from sexual discrimination, sexual harassment and sexual violence. The Title IX Sex Discrimination, Sexual Harassment and Sexual Violence Policy, Policy 4.607 (http://aura.antioch.edu/policies_400_6x/12/), provides a comprehensive approach to these issues, including prevention, amelioration of possible effects, investigation, disciplinary proceedings, and the prohibition of retaliatory action. The Title IX Policy provides a full description of the rights of students and employees regarding these issues. For a list of resources and definitions as they apply to the AULA campus, please refer to the appendix at the end of this report.

In addition, under the Violence Against Women Act, 42 U.S.C. 13701, Antioch University prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking, all of which are defined according to the law of the applicable jurisdiction. Upon request, Antioch University provides to a student or employee who reports having been a victim of domestic violence, dating violence, sexual assault or stalking, whether on or off campus, an explanation of the student or employee's rights and options, including possible sanctions and the procedures to be followed (including the importance of preserving evidence).

Sexual Harassment and Violence Against Women Prevention Programming

AULA is committed to the prevention of sexual harassment and violence against women.

AULA educates all employees about sexual harassment identification and prevention through annual trainings sponsored by the University's Human Resource Department.

AULA strives to increase student, employee, and community awareness around topics of sexual harassment and domestic violence through digital and printed media on campus, and through programmed student activities.

Procedures to Follow in the Event of a Sexual Assault

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain the necessary medical treatment. Antioch University advocates that a victim of sexual assault report the incident as soon as possible. Time is a critical factor for evidence collection and preservation.

An assault should be reported directly to a University officer or to Campus Services Center staff, who will assist the victim in reporting the assault to the Campus Safety Officer.

Institutional Responses to a Reported Sexual Assault

When a sexual assault victim contacts the Campus Safety Officer, the Culver City Police Department will be notified as well. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system. The Culver City Police Department will guide the victim through the available options, and will support the victim in her or his decision.

University disciplinary proceedings are detailed in the Antioch University policy on Sex Discrimination, Sexual Harassment and Sexual Violence Policy, Policy 4.607, located online at http://aura.antioch.edu/policies_400_6x/12.

Student victims have the option to request interim measures, such as a change in academic schedule, after an alleged sexual assault.

Sex Offender Registry

Upon release from prison, individuals convicted of sex crimes may be required to register with law enforcement agencies (under laws referred to as "Megan's Laws"). If registered sex offenders are enrolled or employed at a postsecondary institution, the offenders also must provide this information to the state. The state then provides the information to law enforcement authorities in the jurisdiction where the institution is located.

For the California Department of Justice's official Internet web site, which lists designated registered sex offenders in California, visit <http://www.meganslaw.ca.gov/>.

For the National Sex Offender Public Website (NSOPW) maintained by the U.S. Department of Justice, visit <http://www.nsopw.gov/en-US>

Drug Free Schools and Communities Policy

Antioch University is committed to the development and maintenance of an educational and workplace environment in compliance with the Drug-Free Schools and Communities Act of 1989 and the Drug-Free Workplace Act of 1988, and does not permit the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees on its property or at any of its activities. Please see the Drug Free Schools and Communities Policy at (http://aura.antioch.edu/policies_400_5x/1/). The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. State and federal legal penalties for illegal use of alcohol and drugs are delineated in the attachments to the Drug Free Schools and Communities Policy. A violation of any law regarding drugs and/or alcohol is also a violation of the Student Conduct Policy 6.100 (http://aura.antioch.edu/policies_600_1x/2/) and will be treated as a separate disciplinary matter by the University.

It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under the age of 21 in a public place or a place open to the public is illegal. It is also a violation of policy for anyone to consume or possess alcohol in any public or private area of campus without prior University approval. Such laws are strictly enforced by Antioch and by the Culver City Police Department. Violators may be subject to criminal prosecution, fines and imprisonment. In addition, individuals, organizations, or groups violating state or federal law or Antioch policy will be subject to sanctions by the University, up to and including withdrawal from the University or termination of employment.

Drug and Alcohol Abuse Policy and Education Programs

Antioch University provides resources for employees with substance abuse issues. Insurance policies available to employees of Antioch University include coverage for drug and alcohol abuse. All benefit-eligible employees, including those who do not participate in University insurance plans, are eligible for support for substance abuse through the institution's Employee Assistance Program (EAP). Please contact the AULA Human Resources department at (310) 578-1080, x414 for more information on the University's insurance policies and for details regarding the EAP.

California Legal Definitions

The following is a summary of the definitions applicable to Title IX offenses (sexual assault, dating violence, domestic violence, and stalking) under California state law.

“Consent”

“Consent shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved. A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue[...] Nothing in this section shall affect the admissibility of evidence or the burden of proof on the issue of consent.” Cal. Penal Code § 261.6.

“Sexual Assault”

The California Penal Code establishes three categories of sexual assault and related offenses: rape, spousal rape, statutory rape, and sexual battery.

“Rape”

Rape is defined under section 261⁴ of the California Penal Code as an act of sexual intercourse under certain, enumerated circumstances, including:

- where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the accused;
- where the accused uses force, violence, duress, menace, or fear of immediate and unlawful bodily injury;
- where any intoxicating or anesthetic substance, or any controlled substance, prevents the accuser from resisting, and this condition was known, or reasonably should have been known by the accused;
- where the accuser is at the time unconscious of the nature of the act, and this is known to the accused;
- where the accuser submits under the belief that the accused is someone known to the accuser other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief;
- where the accused threatens to retaliate physically in the future against the accuser or any other person, and there is a reasonable possibility that the accused will execute the threat; and
- where the accused threatens to use the authority of a public official to incarcerate, arrest, or deport the accuser or another, and the accuser has a reasonable belief that the accused is a public official.

“Spousal Rape”

The definition of spousal rape under section 262 of the California Penal Code generally tracks the definition of rape, except that the accused is the spouse of the accuser.

“Statutory Rape”

Section 261.5 of the California Penal Code refers to statutory rape as “unlawful sexual intercourse.” The term means an act of sexual intercourse accomplished with a person who is not the spouse of the perpetrator, if the person is under eighteen years old. The crime is either a misdemeanor or a felony depending on whether the age difference between the accused and accuser is greater or less than three years.

“Sexual Battery”

Under section 243.4 of the California Penal Code,⁵ sexual battery is defined, in part, as touching the intimate part of the accused against his or her will for the purpose of sexual arousal while the accuser is either: (1) unlawfully restrained by the accused or an accomplice; (2) institutionalized for medical treatment and seriously disabled or medically incapacitated; or (3) under the impression, due to the accused's fraudulent representations, that the touching served a professional purpose.

"Domestic Violence"

Section 243(e) of the California Penal Code defines "domestic battery" to mean willful and unlawful touching that is committed against: (1) the accused's spouse or former spouse; (2) the accused's cohabitant or former cohabitant; (3) the parent of the accused's child; (4) the accused's fiancé or fiancée, either former or current; or (5) someone with whom the accused has, or has had, a dating relationship (*i.e.* frequent, intimate associations primarily characterized by the expectation of affectional or sexual involvement independent of financial considerations). In addition, section 273.5⁶ of the California Penal Code prohibits the willful infliction of corporal injury resulting in a traumatic condition upon an accuser who meets these same five categories.

"Dating Violence"

California law has no criminal law that exclusively addresses dating violence. However, California domestic battery and corporal injury laws, both set forth above, encompass acts committed within the context of dating relationships.

"Stalking"

Under section 646.9⁷ of the California Penal Code, stalking is defined as willfully, maliciously, and repeatedly following or harassing the accuser and making a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family.
