Phone: 603-283-2490, Fax: 603-357-7563, email: studentservices.ane@antioch.edu

I understand that recipients of any AUNE scholarships must meet all general award criteria including that the student be accepted for admission, enrolled full time (at least 6 credits per term) in a masters or doctoral degree program at AUNE and that your academic progress will be reviewed each term. You must complete each course in which you are registered in order to continue receiving the scholarship. Any of these scholarships are subject to the availability of funds. Deferred students must reapply. Funds are not guaranteed the following year.
