ANTIOCH UNIVERSITY LOS ANGELES and GLENDALE COMMUNITY COLLEGE Articulation Agreement General Studies Transfer Equivalents Effective 2015

Antioch University Los Angeles (AULA) welcomes applications from transfer students who have a minimum of 24 transferable semester units (36 quarter units), though we encourage students to complete additional units up through their Associate's degree.

Students should be aware that a minimum of 180 quarter units (120 semester units), including 90 quarter units (60 semester units) of upper division are required for graduation from Antioch's BA in Liberal Studies program, and 75 quarter units (50 semester units) of upper division for the Applied Studies degrees. The final 45 quarter units must be taken in residence at AULA. In order for the course to be accepted as transferable, a grade of "C" or better must be achieved.

While we encourage students to take courses in a variety of subject areas that promote strong writing and critical thinking skills, Antioch does not require students to complete their general studies in order to transfer. However, Antioch does recommend that students begin completing some of their general studies as part of their transferable semester units. For additional counsel on these and other requirements, students and counselors should feel free to contact the AULA Admissions Office at any point in their program.

Courses transferable to Antioch University Los Angeles General Studies requirements

At least 6 quarter units (4 semester units) in each of the following six Domains of Knowledge are required in order to fulfill the distribution component of Antioch's General Studies requirement. Thus, if you took 1 course worth three semester units in one Domain, you would still need additional units to fulfill that area. Courses within a student's Area of Concentration (which is like a "major") may not also be used to complete a Domain. The following courses offered at Glendale Community College are transferable and meet the Domains of Knowledge as indicated:
