

# Earn K-12 School Library Certification

**Add School Library Endorsement to your teaching certificate conveniently taking one online course per quarter.**

**Become a Teacher Librarian** with Antioch University Seattle's School Library Endorsement, a Washington state-approved, competency-based endorsement that provides skills and knowledge for developing a school library program centered around supporting students' critical learning. The program is available online or with some hybrid options with AUS faculty traveling to you onsite. Antioch has reciprocal certification agreements with other states and will help out-of-state students earn school library certification.

## Key Program Features:

- Convenient and flexible for full-time teachers
- Completely online; some on-site instruction available upon request
- Reduced tuition for cohorts of 10 or more
- Course content customized to state or regional resources and issues
- Instructors include practitioners and nationally recognized library leaders
- End-to-end leadership and mentorship, modeled by our instructors
- Increases awareness of the changing culture and diversity of today's students
- Develops professional networking among colleagues
- Focuses on access, equity, and achievement for K-12 students
- Develops advocacy and leadership skills

**DESIGNED FOR** certified teachers choosing to specialize in library media and school librarians needing certification.
