ARTICULATION AGREEMENT

General Studies Transfer Equivalents  
Effective 2022

Antioch University Los Angeles (AULA) welcomes applications from transfer students for our BA in Liberal Arts as well as our 4 degrees in Applied Studies (BA in Applied Studies, BA in Applied Arts & Media, Bachelor of Applied Arts in Urban Communities & Justice, BS in Applied Technology and Business Leadership) bringing in a minimum of 24 transferable semester units (36 or more quarter units).

For all degrees, students should be aware that a minimum of 180 quarter units (120 semester units), including 75 quarter units (50 semester units) of upper division are required for graduation from Antioch. The final 45 quarter units must be earned in a wide range of AULA classes, seminars, workshops, independent studies, internships and credit for prior learning.

Regarding the 4 Applied Studies degrees, applicants must bring a minimum of 18 of their transferable semester units (27 quarter units) in a cohesive technical/professional area. The final 45 quarter units must be earned in AULA's specifically prescribed applied studies learning activities including 10 units of professional seminars, 9 units of professional core curriculum courses, and 8 units of non-classroom learning.

For all of these degrees, in order for the course to be accepted as transferable, a grade of "C" or better must be achieved. Antioch does recommend that students begin completing most of their general studies as part of their transferable semester units. For additional counsel on these and other requirements, students and counselors should feel free to contact the AULA Admissions Office at any point in their program.

**Courses Transferable to AULA  
General Studies Requirements**

At least 6 quarter units (4 semester units) in each of the following six Domains of Knowledge are required in order to fulfill the distribution component of Antioch's General Studies requirement. Thus, if you took 1 course worth three semester units in one Domain, you would still need additional units to fulfill that area. Courses within a student's Area of Concentration (which is like a "major") may not be used to complete a Domain. The following courses offered at **Pasadena City College** are transferable and meet the Domains of Knowledge as indicated:
