2023-24 Cost and Aid Snapshot

The Cost and Aid Snapshot includes **estimated** tuition and fees, standard financial aid, as well as anticipated tuition credits/refund or outstanding balances **for one semester**. Please note that the students' specific refund or balance due is based on actual registration for the semester. For specific student information, please see the Account Summary, by logging into AUVIEW to view direct costs and financial aid award.

*Students should consider a payment plan or applying for the Grad PLUS loan for balance due beyond the standard unsubsidized loan. See the Student Accounts office for payment plan details and the Financial Aid Office for Grad PLUS details.
