

Income Verification

The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2022 or had a change in marital status after December 31, 2022.

Instructions: Complete this section if the student and spouse filed or will file a 2022 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2022 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2022 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2022 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2022 IRS Tax Return Transcript(s) or a signed copy of the 2022 income tax return and applicable schedules.

Please review and check one of the following:

- I have successfully used the FAFSA's Direct Data Exchange to retrieve my (and my spouse's) income information onto the FAFSA and submitted the FAFSA transaction. No other documentation is needed for income verification.
- I am unable to use the FAFSA's Direct Data Exchange to transfer my income information. I have attached a copy of my 2022 **signed** Tax Return here. (If you have not retained a copy of your 2022 tax return, you can request a copy of your 2022 **Tax Return Transcript** to be mailed to you (*instructions below*).
- I filed an Amended Income Tax Return, I was a victim of IRS Identity Theft, or I filed a Non-IRS Income Tax Return. I will contact the Financial Aid Office for detailed instructions on how to complete verification.
- I did not and am not required to file a 2022 Federal Tax Return. I will complete the **Tax Return Non-Filer** section below.

A 2022 Federal Tax Return Transcript may be obtained from the IRS through:

- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and NOT the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.

The transcript displays online upon successful completion of the IRS's two-step authentication.
