

## Income Verification

The instructions below apply to the student and spouse (if the student is married). Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2024 or had a change in marital status after December 31, 2024.

Instructions: Complete this section if the student and spouse filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate 2024 IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the student's FAFSA using income and tax information directly from the IRS.

If 2024 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a 2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules.

### **Please review and check one of the following:**

- I have successfully used the FAFSA's Direct Data Exchange to retrieve my (and my spouse's) income information onto the FAFSA and submitted the FAFSA transaction. No other documentation is needed for income verification.
- I am unable to use the FAFSA's Direct Data Exchange to transfer my income information. I have attached a copy of my 2024 **signed** Tax Return here. (If you have not retained a copy of your 2024 tax return, you can request a copy of your 2024 **Tax Return Transcript** to be mailed to you (*instructions below*).
- I filed an Amended Income Tax Return, I was a victim of IRS Identity Theft, or I filed a Non-IRS Income Tax Return. I will contact the Financial Aid Office for detailed instructions on how to complete verification.
- I certify that my spouse and I were not employed and did not have earned income in 2024. I will complete the **Tax Return Non-Filer** section below.
